## **QUESTIONS FOR DISCUSSION**

- Are there good reasons to talk about the South Caucasus as a „Region in Shaping“?
- Are there significant cultural similarities of people in the South Caucasus?
- Are there significant similarities and differences in the recent/current demographic development of people in the South Caucasus?
- What are the impacts of the recent/current migrations on the people in the South Caucasus?
- What is specific for the South Caucasus in the current global debates concerning the energy supply?
