LANGUAGES AND MYTHS
LAMP
OF PREHISTORY

Conference

Indo-European Interfaces:
Building Bridges between Mythology,
Linguistics and Archaeology

The overarching theme of the conference is the interfaces between linguistics, archaeology and mythology, with special focus on the early stages of the Indo-European cultural and linguistic diversification into separate entities.

15-16 October, 2020

For details, please see the enclosed programme.
The event will be held via Zoom: https://uu-se.zoom.us/j/62834486621

This is an event of the research programme *LAMP – Languages and Myths of Prehistory*.
